Genevieve is an immaculate 37m Ocean Cruising Performance Cutter built by Alloy Yachts of New Zealand.

Designed by Dubois Naval Architects, Genevieve epitomizes style and grace. Offering a great all-round charter experience, she boasts an interior volume and expansive, flexible cockpit area typically encountered in much larger yachts, guaranteeing phenomenal comfort.

Capable of exhilarating performance and speeds in excess of 13 knots under sail, Genevieve can effortlessly navigate the waters of the world and her dedicated crew of 6 will ensure

your charter experience is a sheer delight.

Her well-appointed interior, designed by Glade Johnson, is decorated with rich joinery and sumptuous furnishings, and the wrap around style pilothouse windows create a dazzling light and airy saloon. Accommodation for 8/9 guests is arranged in three double cabins (one with a fixed upper single berth) and one twin cabin.

When at anchor, Genevieve offers a host of watersports equipment and for those seeking a less adventurous break, the foredeck area with built-in sunpad, sun loungers and sun awning is the perfect relaxation platform.
